should trade with

AUSE you get jour money's worth. Good, honest values at small profits make big sellings. We do not lay claim to the fact that we buy our goods cheaper than any other merchant in Phillipsburg—that would be a prevarication—every one knows that money is of equal value in this country. What we do claim and what we intend to show YOU, is that the smaller the profit, the larger and quicker the sales, the larger our acquaintance becomes.

We want to make friends, we want you to become one of our fliends, we want your trade, and if we stick strictly to these methods we will get it. Ever since the first day we start-ed in business about six years ago, we have steadily increased our trade and we shall endeavor to so ment your trade that we can keep on growing until some day in the not very distant future we can have a store that our patrons can point to with pride and say, "there is the largest store in town and a store where can get courteous treatment." With your belo and "Good honest values at small profits" as our guiding star we will attain that end.

Our fall and winter gools are beginning to arrive. A fine line of boots and shoes just received; come in and we can fit you. I most heartily thank my old friends and customers. who have so faithfully stood by me in the past and courteously invite you and all your friends when you come to town to come in and trade with me and I will try and do you good.

The Reunion.

On last Thursday about 300 people from this city went down to Agra to take part in the celebration of the reunion of old soldiers. It was designated "Phillipsburg day" and the program was a very attractive one notwithstanding the high winds and suffocating dust. The orchestra rendered some very fine music, the band did themselves proud, and the boys of the K. N. G. gave a very creditable exhibition drill, going through all the maneuvers like veterans. Judge Strain presided at the meeting in a very graceful manner. Hons. C. A. Lewis, W. H. Pratt and R. F. Stinson, Revs. Hageman and Mann delivered speeches which were listened to with the closest attention.

In the afternoon Rev. Gibson delivered the principal address, beginning by exhibiting some "relies" of the late Spanish war, as well as showing some samples of the new kind of powder now used by the various implements of warfare. He then made a very fine address to the soldier boys of the civil war, paying a glowing tribute to the heroes who took their lives in their hands and battled for humanity-for freedom. He recounted many scenes of the war with almost graphic precision of an eye witness. The address was interspersed with a great deal of wit and humorours illustrations, and was thoroughly enjoyed by the vast audience crowded under the tent to hear it.

The attendance on Thursday was large, being variously estimated from 2000 to 3000 people and even higher. But for the wind and dust all would have thoroughly enjoyed the day.

In the evening the election of officers for the County Rennion Association was held and Frank Strain of this city was chosen president, Ritner Smith secretary and John Hahnekratt

treasurer.

On Friday the Woodmen held a very large and enthusiastic meeting Elder Franklin making the principal address. Good music was furnished and an excellent program was carried out. The reunion adjourned at noon.

MISSOURI. out. The reunion adjourned at noon. The people of Agra deserve great praise for their hospitality and for the complete arrangements. Especially mention should be made of the untiring efforts of the secretary G. W. Hayes, the president J. D. Matteson, and treasurer Marcus Moore, who spared no pains to make the reucion a success.

The attendance of old soldiers was unusually large. Following is the roster of those who registered, giving their company and regiment and present post office address:

Discoverd By a Woman.

Another great discovery has been nade, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's Naw Discovery for Consumption, and was so much relieved on taking first dose that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz " Thus writes W. O. Hamnick & Co., of Shelby, N. C. Trial bottles free at Geo James & Co's, drug store. Regular size 50c and \$1.00. Every bottle guaranteed.
